Accreditation Statement

The California Society of Dermatology & Dermatologic Surgery (CalDerm) is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. CalDerm takes responsibility for the content, quality and scientific integrity of this CME activity. CalDerm designates this educational activity for a maximum of 13 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education.

Statement of Learning Objectives

As participants of this CME activity, learners will:

- Increase knowledge of recent medical advances in the diagnosis, management and treatment of diseases of the skin, hair and nails.
- Review, interpret, and summarize new clinical, scientific and research information in the study of dermatology, dermatologic surgery, pediatric dermatology, dermatopathology and cosmetic dermatology.
- Learn and improve techniques that will allow the physician to offer the best treatment options and care to patients.
- Expand their expertise in select practical aspects of dermasurgery.
- Compare and contrast methods in order to fully assess patient needs and treatment options.
- Improve standards of practice.
