**Accreditation Statement**

The California Society of Dermatology & Dermatologic Surgery (CalDerm) is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. CalDerm takes responsibility for the content, quality and scientific integrity of this CME activity.

CalDerm designates this educational activity for a maximum of 14 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education.

**Statement of Learning Objectives**

As participants of this CME activity, learners will:

- Refine approaches to the diagnosis and treatment of select dermatologic diseases based upon current evidence-based data.
- Understand the impact of hair loss on patients' health.
- Understand patient issues in access to medical care in the new healthcare reform environment.
- Understand the impact of Morgellon's disease on patients' health and expectations.

- Strengthen surgical skills, assimilating techniques for the management of dermatologic surgery emergencies as well as for enhancing general surgical outcomes.
- Refine laser treatment technique of tattoos and pigmentation to best serve their patients.
- Focus upon precise histopathologic diagnostic techniques through interactive and didactic teaching sessions.
- Review and update on tropical dermatology.
- Review and update on Cutaneous Malignancies in organ transplant recipients
- Learn the latest advances in noninvasive fat removal
- Assimilate the latest therapies and treatments of acne scarring.
- Learn the latest advances in Photodynamic Therapy.
- Integrate new and effective diagnostic, therapeutic and surgical advances to treating pediatric patients.
- Review and update on the use of biologics medications for skin diseases.
- Learn the latest advances and techniques in the use of fillers and neurotoxins.
